HOLIDAY FESTIVITIES

A Special Report by the Activities Department

The Holidays are finally here, and by "finally here", we mean Friday! Christmas and New Year's is that one specific time of year that you wait all year long for and we are so excited to be able to celebrate them with all of you!

This week we held our staff party on Wednesday with a nice lunch and decorations to thank our team for all they do. Every team member here works hard every day to meet the needs and desires of our residents and we appreciate them immensely for their dedication! On Christmas Eve we walked around with Santa, Carolers, and some Reindeer to deliver gifts to everyone here to make sure their Christmas spirit was uplifted and just as high as ever.

PREPARING FOR THE NEW YEAR

What Does the New Year Mean to You?

As we unfortunately close out a great Christmas Holiday season, we are excitingly entering a whole New Year. I am sure we all think of one (or several) things we are wishing to change for 2021. Take this next week to reflect on all things 2020: Your career, your family, your pet peeves, your hobbies, ANYTHING AND EVERYTHING, and see what you can change and what you want to change. This is your new year, make it what you want for yourselves. This is the time to set goals; short-term and long term and crush them.

Here at Doctors Subacute, a goal is to exceed the level of excitement and happiness we bring to our residents and their families.

Thank you all for your continuous support, lets have a phenomenal 2021!

LET'S RING IN THE NEW YEAR HAPPILY & SAFELY! .

COVID UPDATES

With much appreciation to the Lord, we are fortunate to announce that Doctor Subacute Care remains Covid-19 free. We are continuing to test staff weekly, and screen everyone for signs or symptoms of Covid-19.

We are continuing to host virtual visits, and appreciate that everyone is maintaining the social distancing guidelines. Your families and loved ones enjoy the visits very much! To schedule a virtual visit, please contact our activities department during business hours:
